GOZO ISLAND

Ġgantija Megalithic Temples & Cittadella

THIS TOUR REQUIRES PREBOOKING UP TO 10 DAYS AHEAD OF CRUISE

- Duration approx. 4 hours
- Incl. Transportation, English-speaking guide, entrance fee
- Per Person: Euro 115

Embark on a half-day tour of Gozo, the largest of the Aeolian Islands, and immerse yourself in its rich heritage as you explore iconic landmarks, uncover hidden gems, and soak in the island's stunning beauty and unique charm.

Your first stop is the ancient megalithic "Temples of Ġgantija", a UNESCO World Heritage site. These impressive structures, dating back to around 3600-3200 BC, are believed to be the oldest freestanding monuments in the world—older than both Stonehenge in England and the Pyramids of Egypt. The name "Ġgantija" derives from the Maltese word for "giant" ("giant"), inspired by the myth that a race of giants built the temples. This legend is fitting, as the structures are constructed from massive limestone blocks, some over 5 meters long and weighing more than 50 tons.

From ancient wonders to medieval strength, your next stop is the fortified city of "Cittadella"

(The Citadel) in the heart of Gozo's capital, Victoria. With its striking skyline and imposing military architecture, this ancient citadel is a prominent feature of Gozo's landscape and can be seen from nearly every corner of the island.

After a day of uncovering Gozo's timeless charm, relax on a short ride back to the vessel, carrying memories of giants and citadels.

DAY 3 SYRACUSE

Syracuse & the Archaeological Park of Neapolis

THIS TOUR REQUIRES PREBOOKING UP TO 10 DAYS AHEAD OF CRUISE

- Duration approx. 4 hours
- Incl. Transportation, English-speaking guide, entrance fee

Embark on an unforgettable journey through Syracuse, where ancient history and Baroque elegance come together in a captivating blend of culture and architecture. This immersive excursion will give you a profound appreciation for the city's rich and layered heritage.

Your adventure begins at the Archaeological Park of Neapolis, a sprawling site that transports you back to the grandeur of Syracuse's Greek and Roman past. Walk among ancient ruins and marvel at the remarkable landmarks that tell the story of the city's powerful legacy. Explore the impressive Greek Theatre, carved directly into the hillside, and the Roman Amphitheater, where gladiators once battled.

Next, we head to Ortigia, the historic heart of Syracuse, just a short walk or drive away. This charming island is a treasure trove of history, with narrow cobblestone streets and sunlit piazzas lined with Baroque masterpieces. At the heart of Ortigia is the breathtaking Piazza del Duomo, framed by elegant Baroque buildings. The crown jewel is the Cathedral of Syracuse (Duomo), a stunning church built over an ancient Greek temple dedicated to Athena. Remarkably, parts of the original temple, including the massive Doric columns, remain embedded in the cathedral's structure, a powerful symbol of Syracuse's layered history.

THIS TOUR REQUIRES PREBOOKING UP TO 10 DAYS AHEAD OF CRUISE

Transitioning to the Citadel, you'll be stepping into a site full of history, where you can reflect on its past while enjoying the magnificent views. This historic site was rebuilt after the devastating pirate raid by Barbarossa in 1544. This attack destroyed the town, killing locals and leaving much of it in ruins. Although many businesses have since relocated, the Citadel remains a stunning vantage point with sweeping views of the island. The Museo Archeologico Regionale Eoliano adds another layer of richness, showcasing centuries of history through remarkable artifacts like the Greek masks and Roman-era shipwreck finds. This combination of sights, history, and culture will certainly make for a memorable experience!
